PROFESSIONAL EXPERIENCE (ABRIDGED)

Nemours Children's Hospital | Wilmington, DE 05/2010 – 05/2016; 01/2024 – Current
Staff Respiratory Therapist

- Provides training, education, and coaching to students, newly hired therapists, and other staff; provides asthma education to parents and family members; coordinates with different stakeholders to ensure the best outcome and practices for patients
- Recognized as Respiratory Therapist of the Year (2013); promoted from Charge Respiratory Therapist to Registered Respiratory Care Manager (2013) and impactfully served in this role between 2013 through 2016 before temporarily transitioning into another hospital system; returned in 2024 and continues to be relied upon by senior management at the hospital as a trusted advisor and technical subject matter expert

Good Shepard Penn Partners | Philadelphia, PA 02/2013 – Current
Registered Respiratory Therapist Supervisor

- Managed collaboration and coordination with multidisciplinary teams to ensure 100% staff satisfaction
- Led tracking of equipment and supplies, resulting in a 50% decrease in miscommunications and seamless collaboration between teams
- Integrated ventilator data into the EPIC medical documentation systems so that the ventilator and EPIC system had real-time connectivity
